

Co-op Academy Stoke-on-Trent

Dear Year 6 pupils,

We are really looking forward to welcoming you to Co-op Academy Stoke-on-Trent and we would like you to know that we are doing everything we can to make the move as smooth as possible. However, in such strange times we want to make sure you know we are here for you but also we want your help to make your transition to our academy a smooth one.

Here at Co-op Academy Stoke-on-Trent we have four Ways of Being Co-op that guide our future – no matter what we do, they're how we do it.

They are:

- Do what matters most
- Be yourself, always
- Show you care
- Succeed together

Therefore we want to show we care and hear about your questions that you have about our academy. Our Co-op Young Leaders are amazing and always Show You Care in all they do and they are looking forward to welcoming you to the academy. They would like to answer your questions and they will send out a video with the answers to be placed on our transition Support Page where you should be finding all your information about the academy. You can send your questions to egarrity@cas.coop by Friday 12th June and I will pass them on to our CYLs (Co-op Young Leaders).

Please send at least 6 questions and you could contact your friends via telephone or if you are in school chat at school with them to come up with a group of questions between you all. Here are 6 sample questions to get you started:

1. Will I be with my friends from primary school?
2. What will I need with me on my first day of school?
3. Can I bring my mobile phone to school?
4. How big are the classes?
5. What languages will I learn?
6. How do I pay for my school lunch?
